Run of Site Program

The Run of Site Program (ROS) includes a big skyscraper, or skyscraper ad, which rotates on eleven top-level pages on semi.org and PVGroup.org for all regions. Includes: Home, About, Press, Advocacy, Market Information, Events, Tradeshow, Standards, Membership and Store.

ROS Ad Frequency	SEMI Member Rate Cost Per Month		Non-Member Rate Cost Per Month	
	Big Skyscraper	Skyscraper	Big Skyscraper	Skyscraper
1 Month	\$2,900	\$1,700	\$4,000	\$2,000
3 Months	2,600	1,500	3,600	1,600
6 Months	2,400	1,400	3,400	1,400
12 Months	2,300	1,300	3,300	1,300

Expositions Program

The SEMI Events and Tradeshow pages provide an ideal forum for reaching and educating the industry's most active participants prior to their attending SEMICON®, SOLARCON®, FPD and other regional SEMI events.

SEMICON shows

China Europa Japan Korea Russia
Singapore Taiwan West

SOLARCON and other shows

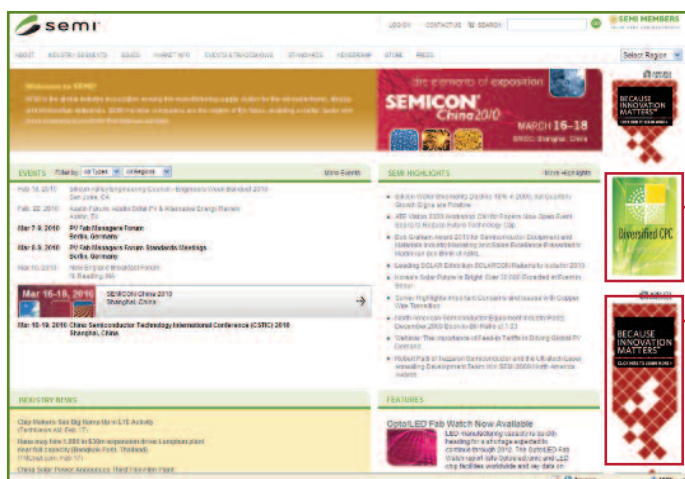

China India Korea LEDKorea PV Taiwan

Use of SEMI Terms

SEMI®, SEMICON® and SOLARCON® are registered trademarks of Semiconductor Equipment and Materials International (SEMI) in the United States and other countries. Please be sure to use the correct spelling and formatting of SEMI and SEMICON—all letters are capitalized in both names. The registered trademarks are required with only the first appearance of each name. All ads are subject to approval by SEMI advertising department.

Ad Tracking System

The SEMI website, www.semi.org, utilizes the ZEDO Trafficking and Reporting System to provide reporting specific to your ad campaign. Each advertiser will be provided with a password and user name for 24/7 access to performance numbers.

Web Traffic Reports

The SEMI Web site uses tools provided by Google Analytics to report traffic data and to analyze site usage.
